Our work in the news

- **Lucy Hadley quoted in Open Democracy** - [Home Office accused of trapping women with abusers with £500 visa fee hike](#) - Lucy Hadley, the head of policy at Women's Aid, told openDemocracy: "Migrant women escaping abuse already face numerous barriers to safety, including severe challenges accessing legal aid for immigration advice. "This decision will make it even harder for them to leave their abusers."

VAWG news

- **ITV** - [Met Police to train officers to call out sexism and misogyny](#)
- **Metro** - [Rapper's TV show axed after sexual assault allegations come to light](#)
