Report of Degree Ceremonies Sub-Committee presented to the Leeds University Union Committee on 3rd November.

A Sub-Committee was appointed on October 23rd, 1914, to make suggestions with regard to proceedings on Degree Days. It was constituted as follows:—

| | |
|-----------------------------------|------------------------|
| <i>Chairman</i> | F. Webster. |
| <i>Hon. Secretary</i> | P. Rothwell. |
| <i>Staff Representative</i> | Professor W. Garstang. |
| <i>Women's Representatives</i> { | M. L. Cooper. |
| | E. Musgrave. |
| <i>College Road Men's</i> { | W. J. Jones. |
| <i>Representatives</i> { | F. L. Seymour-Jones. |
| <i>Medical Representative</i> { | H. E. Charles. |

Your Sub-Committee has held three meetings, at each of which every member has been present.

The following recommendations are made:—

1. That proceedings on Degree Day should be improved by the inclusion of some well-rendered part songs. For this purpose we recommend that a students' choir should be maintained, and that a Leeds University Song Book be prepared.
2. That the throwing or dropping of any object whatever should be prohibited.

3. That the introduction, except by the recognised orchestra, of any instrument or instruments producing or magnifying sound should be prohibited.

Your Sub-Committee discussed the feasibility of holding something in the nature of a carnival on the night preceding Degree Day, but deemed it undesirable for the following reasons:—

1. The women students would hardly be able to take part in it.
2. The present Musical Evening is satisfactory.

Your Sub-Committee suggests the arrangement of a humorous performance to precede the Degree Ceremony. (This performance could consist of a series of items alternating with the songs mentioned above.)

With regard to the ceremonial part of the proceedings, your Sub-Committee thinks it unfortunate that the mass of the students should be so far separated from the centre of interest, and therefore suggests that the following be conveyed to the responsible authorities:—

“The Union Committee suggests that the Degree Ceremony might be carried out on a platform erected beneath the clock in the Great Hall, the stage as well as the gallery being rendered available for students and visitors. The Students' Choir and the orchestra should occupy a definite and reserved portion of the gallery.”
